## AMBASSADE DE FRANCE AUX PHILIPPINES

Manila, 09/07/04  
n°: 551 / SCAC

*The Ambassador*

Since his arrival in April 2001, Mr. [REDACTED] has been an exceptional collaborator in the French Embassy in the Philippines, as Scientific Attaché in the Department for Cooperation and Cultural Affairs. Endowed with intelligence and a strong sense of responsibility, he proved to be methodical and rigorous in the accomplishment of his duties, taking initiatives with utmost personal involvement.

Conscientious of the team spirit, he has effectively seconded the Counselor for Cooperation and Cultural Affairs, acting as secretary general, in charge of the management and accounting of the budget of the Department. In charge as well of the multilateral cooperation of this Embassy, Mr. [REDACTED] has invariably succeeded in obtaining and coordinating international funding for various projects in different sectors in the Philippines and in the region.

Finally, throughout his assignment and with his faculties in English, he has adapted well to the Philippine context, at times complex, with a general attitude that has been most appreciated by local partners and contacts.

Personally, I have been quite delighted with his invaluable contributions, his sense of organization, professionalism, sense of duty, such qualities that make him an excellent member of this Embassy.

I would vividly endorse Mr. [REDACTED] to any office, in the private or government sector, where his abilities will certainly be an asset.
